

IAM Step 1 - Tenant Overview

Saturday, 30 May 2026 11:24 AM

Objective

Review the Microsoft Entra ID tenant configuration and establish a baseline IAM environment.

Actions Performed

Accessed Microsoft Entra ID and reviewed tenant details, licensing information, primary domain configuration, and directory settings.

Skills Practiced

- . Tenant administration
- . Directory management
- . Microsoft Entra ID navigation
- . IAM fundamentals

Outcome

Successfully verified tenant configuration and established a Microsoft Entra ID lab environment.
